WELCOME TO M CUBIC TRADING (PTY) LTD

We are your reliable 24 Hour Civil, Building Maintenance, Mining & Engineering Maintenance experts.

M-Cubic Trading is a 100% black-female and youth owned and professionally managed company, since 2017. We specialize in Civil Construction, Road Construction, Steel Fabrication, Roof Painting and Maintenance, Building Refurbishments and Maintenance including a Pumps supply workshop at Bodirelo Industrial in Mogwase, North West Province, South Africa.

We are a multi-disciplinary outfit focusing on Civil, Mining, Building Maintenance, Engineering, Pumps, Valves and Spares, Steelwork Fabrication and Plant Maintenance.

As a customer-focused business, we aim to add value and contribute to the success and sustainability of our clients.

We also offer manufacturing services, including pump baseplates according to client specifications, flanged pipes HDPE and STEEL of all sizes, borehole cover plates, Steel Fabrication and fittings.

For site work and maintenance contracts, we offer fully equipped site service vehicles staffed by trained technicians, Artisans, to carry out a wide range of activities at your site. Additionally, we carry out off-site repairs and maintenance required.
